

# be proactive with workplace safety

## What is the Proactive Safety Group?

The PSG is a network of professionals committed to improving workplace safety by being kept up to date with the latest information and sharing their ideas with other members.

PSG are health and safety professionals in the transport and freight industries interested in:

- Networking with their peers
- Staying up-to-date with new regulations from WorkCover & VicRoads
- Sharing best practice safety programs in the transport & freight industry

## Why become a PSG member?

PSG members are kept up-to-date through:

- Bi-Monthly electronic safety circular
- Five safety forums with expert speakers per year
- Direct access to VicRoads and WorkCover safety advisors and Industry experts
- Networking opportunities with like-minded professionals
